

## **KINDLES!**

The Georgetown County Library now has a collection of Kindles that are available for checkout. Each Kindle is pre-loaded with 50 to 60 titles (new titles will be added to the Kindles quarterly), and patrons may not add or delete titles.

The checkout period for Kindles is two weeks. Kindles may be renewed if no other patrons are waiting, but the renewal must be conducted in the library and not over the phone.

Georgetown Library has designated Kindles for Adults, Young Adults, Children, and Gaming Room. While Adult and Young Adult Kindles are circulating items, the Childrens and Gaming Room Kindles are reserved for in-library use only.
