COMMUNITIES MATTER @your library®

During **NATIONAL LIBRARY WEEK** and throughout April, libraries of all types host special events to highlight the unique role libraries play in people's lives. Today's libraries can help you and your family discover a new and exciting world through collections, digital resources and more. Whether you come for homework or job searches, help with citizenship issues or finances, adult education classes or to find the best books for young readers, libraries are a great place to spend quality time and connect with loved ones and friends.

CAROLINE KENNEDY, HONORARY CHAIR

An advocate for reading, literacy and libraries, Kennedy has written or edited ten bestselling books on American history, politics and poetry. Her latest book is *Poems to Learn by Heart*. You can visit her web site at: AFamilyofPoems.com.
