

The Georgetown Friends of the Library Yuletide Home Tour, held on December 3rd, was a season-setting success full of grand homes, glittering decorations and enthusiastic explorers. Many thanks to the homeowners who opened their lovely domiciles for tour, and the interior designers who transformed the Stewart-Parker House into a winter wonderland. The designers/firms included Rebecca Ceron Martin, Bienvenue Home Accents, Goudelock and Company, Pawleys Lifestyles, Carolina Charm Florist, and Tara Crammer. On this page, explore some of the beautiful rooms of the Parker-Stewart House, replete with their Yuletide decorations.
