

## **Press Release**

More Information: Steele Bremner, 545-3363

October 20, 2015

*For Immediate Release*

### **Waccamaw Library Author's Table**

*November authors and books announced*

The Waccamaw Library proudly presents the Author's Table, a series of discussions of great new reads with the authors themselves. The series is free, and all events will take place in the Waccamaw Library Auditorium, 41 St. Paul Place, Pawleys Island.

**Tuesday, November 10, 5:30 - 7 pm**

**Dr. Pamela Martin**

At a time when South Carolina and the US turn their attention to ways to secure our future and our energy supply, Pamela Martin, Professor of Politics and International Relations at Coastal Carolina University discusses her new edited volume on *Ending the Fossil Fuel Era*. Rather than discussing plans to limit carbon, this book takes a look at whether we can keep that carbon in the ground.

Six case studies reveal how individuals, groups, communities, and an entire country have taken first steps out of the fossil fuel era, with experiments that range from leaving oil under the Amazon to ending mountaintop removal in Appalachia. Martin will talk about these cases, their successes and failures, and what we can learn from them for our region and our country.

**Tuesday, November 17, 11 am – noon**

**Maureen O'Brien**

O'Brien's *Waggin' Tales* is a heartwarming, and often humorous account of six month-old Bogey, a sweet dog who finds himself living at the local Humane Society.

O'Brien is a Myrtle Beach resident who played professional basketball with The Texas Cowgirls and touring with The Harlem Globetrotters in 1959. An avid golfer, she is a two-time SC Senior Golf Champion. Her other books include, *Who's Got The Ball? And Other Nagging Questions About Team Life* and *A Prayer For Newtown*.

Reservations are not required, but are encouraged: [sbremner@gtcounty.org](mailto:sbremner@gtcounty.org).
