## **Ebony Effects** **150 Unknown Facts about** **Blacks in Georgetown, S.C.** (With Complete Proof)

**Steve Williams**

*"My father was a historian and I've been fascinated with history since I was a boy, so this was a natural next step."*

*- Steve Williams*

**Ebony Effects** explores the trials, successes and many changes that African Americans in Georgetown County have seen. It stretches from antebellum times through the civil rights movement and into modern times.
